PureTech Health plc

PureTech Health to Present at Jefferies 2017 Global Healthcare Conference

PureTech Health plc ("PureTech", LSE: PRTC), an advanced, clinical-stage biopharmaceutical company, today announced that Bharatt Chowrira, President and Chief of Business and Strategy at PureTech Health, will present at the Jefferies 2017 Global Healthcare Conference in New York City on Thursday, 8 June, at 9.30AM EDT. A webcast of the presentation will be available at <http://puretechhealth.com/investors.php> under the Reports and Presentations tab.

Additionally, Jonathan Freeman, Chief Business Officer of Vedanta Biosciences, will present on Wednesday, 7 June, at 9.30AM EDT. Vedanta Biosciences is a PureTech Health subsidiary pioneering the development of a novel class of therapies designed to modulate pathways of interaction between the human microbiome and the host immune system.

About PureTech Health

PureTech Health (PureTech Health plc, PRTC.L) is an advanced, clinical-stage biopharmaceutical company developing novel medicines targeting serious diseases that result from dysfunctions in the immune, nervous, and gastro-intestinal systems by intervening early and addressing the underlying pathophysiology of disease. The Company is advancing a rich pipeline that includes two pivotal or registration studies expected to read out in 2017, multiple human proof-of-concept studies and a number of early clinical and pre-clinical programs. PureTech Health's growing research and development pipeline has been developed in collaboration with some of the world's leading scientific experts, who along with PureTech's experienced team and a stellar Board identify, analyse and advance very selectively the opportunities the Company believes hold the most promise for patients. This experienced and engaged team places PureTech Health at the forefront of ground-breaking science and technological innovation and leads the Company between and beyond existing disciplines.
